CUSTOM ENGRAVED BRICKS ARE NOW AVAILABLE

Honor loved ones and yourself with an engraved brick placed around the new flagpole at the schoolhouse. The cost is very reasonable compared to other memorials in the area—and there are no rules for paying tribute to someone you care about—they do not even have to be from Portville! Add names, dates, titles, or anything meaningful to you and your family. Just make sure it will fit on 3 lines with no more than 14 characters per line. Letters are capitalized (except when special characters are needed, i.e. McMAHON).

It's easy to order. Fill out and mail this form to PO Box 59 Portville NY 14770, or stop by our office at 17 Maple Avenue in Portville. We are now open Thursdays from 10 to 4pm. Order today to have it installed in the patio with our next batch of bricks. If you need help on your order, you can email us at phpsemail@yahoo.com or through our website at portvillehistory.org.
